The Wilderness Report

Today's Bible Story: Exodus 14-17

God Provides for Us

God rescued the people of Israel from slavery in Egypt. As the people traveled through the desert, God cared them, providing food and water.

We remember God cares for us and we want to grow in our faith and trust in God.

Our snack was crackers and chicken salad, like the manna and quail that God gave the Israelites in the desert.

In the kindergarten class, we cut out pictures of shofars, which are horns like the Israelites had.

Bible Memory Verses for This Week

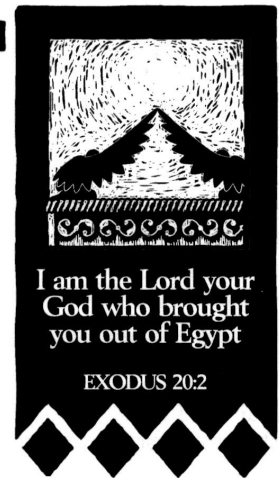

The Lord is my strength and my song,
He has become my salvation;
He is my God, and I will praise him,
My father's God, and I will exalt him.

Exodus 15:2 NRSV

I will sing of the Lord's great love forever;
With my mouth I will make your faithfulness known
through all generations.

Psalms 89: 1 NRSV

Offering Project

Coming Home: Sudan

Our daily offerings are given to Mennonite Central Committee for the Sudanese people, who are recovering from 22 years of civil war when many people had to flee their homes for safety. Now the Sudanese people are returning home and trying to rebuild their lives. Our offering will help to buy sewing machines so people can have jobs making things.

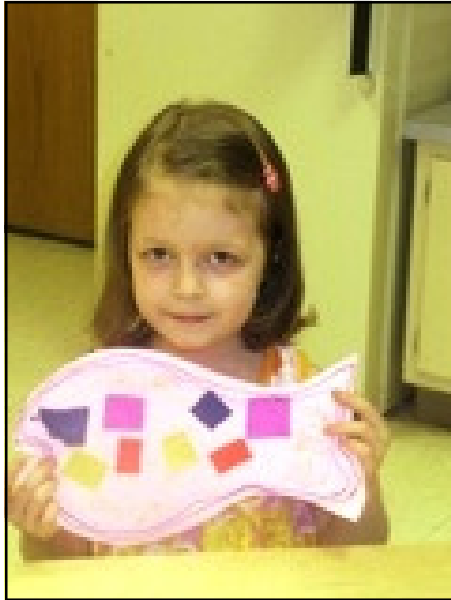

Today's Offering: \$70.64

Parkiela John and her children Manuel Gabriel and Mary Carda, near Rumbek, southern Sudan, are among the 1.7 million people who have returned to the region since 2005. Melissa Engle
