Worship: The Wilderness Report

Today's Bible Story: Exodus 19-20, 24

We Want to Obey God

God wanted to have a relationship with the people of Israel. When Moses climbed Mount Sinai, God gave him the Ten Commandments. These commandments were examples for how God wanted the Israelites to live and for how God wants us to live. When we obey God's commandments, we show our faithfulness to God.

Then and Now Activities

We are creating things similar to those used by the Israelites as they worshiped God. We've made jewelry with golden disks, cord and foil. We've made shofars with empty plastic bottles and wooden lampstands.

Offering Project Coming Home: Sudan

Southern Sudan is beginning to recover from a long civil war that ended in 2005. Many people are returning after years as refugees. Communities such as this neighborhood of Juba, southern Sudan's capital, are growing rapidly.

Today's Offering: \$140.16
Total Offering: \$210.80

Our daily offerings will be given to Mennonite Central Committee for the Sudanese people, who have been refugees for many years. The money we raise will be used to buy sewing machines for returning refugees.

Preschool Class

Today we learned about Matthew the tax collector. Jesus loved him and was his friend even though Matthew had few friends. We made "Happy Faces" collages.

Nursery Class

Today we talked about going on a trip. We learned about Jesus' trip with his parents to the temple after growing up. We made suitcases and went on a trip ourselves. We played and talked about growing up. We made a tree that grew. We sang songs and had worship time talking about David.
